

2017 EXHIBITOR INFORMATION

The **Annual Got To Be NC Festival** takes place **May 19-21, 2017 at the NC State Fairgrounds in Raleigh**. You are invited to show, sample and sell your products at the exclusive **“Homegrown Fare, presented by Lowes Foods”!** This is your chance to join over 100 other NC food and beverage companies to promote your products to thousands of consumers!

The Homegrown Fare takes place in the 50,000 sq. ft. Exposition Center. The festival is a fun-filled weekend of rides, tractor parades, music and more! Admission to the festival is free, and for the Homegrown Fare consumers pay only \$3 for anyone over 11.

This show is a unique opportunity to sample and sell your products. The attached rules sheet gives you more details but be aware that “prepared foods” such as sandwiches, entrees, etc. cannot be sold. This event is your chance to reach consumers from across the state, offer recipes, get feedback, promote your brand and generate sales! Please note that wineries may sample and sell by the bottle only for off-premise consumption. Breweries may sell 6-packs, individual growlers and bombers only for off-premise consumption. The show features only food products made/processed/grown in North Carolina. A limited number of approved NC-made crafts/candles may exhibit but first priority on exhibits will be given to food products.
